

Key Stage 1 - Photocopiable Spelling Practice Activity Book 1 by Pat Lamb

Based on DFES 'Letters and Sounds' Phase 2 Introductory Words

Introduction

This book is one in a series of eight, which provide support for spelling for children at Key Stage 1 to accompany Sheridan and Cartwright's 'Weekly Spelling Lists' published by 'Topical Resources'. These books give the children the opportunity to 'practise, explore and investigate' as well as 'apply, assess and reflect' spelling at their own level.

This spelling practice series contains the following titles:

Foundation Stage & Key Stage 1 - Photocopiable Spelling Practice Activity Books

Book 1 – Based on DFES 'Letters and Sounds' Phase 2 Introductory Words

Book 2 – Based on DFES 'Letters and Sounds' Phase 2 Words

Book 3 – Based on DFES 'Letters and Sounds' Phase 3 Words (Part A)

Book 4 – Based on DFES 'Letters and Sounds' Phase 3 Words (Part B)

Book 5 – Based on DFES 'Letters and Sounds' Phase 4 Words

Book 6 – Based on DFES 'Letters and Sounds' Phase 5 Words

Book 7 – Based on DFES 'Letters and Sounds' Phase 5 (supplementary words for extra practice)

Book 8 – Based on DFES 'Letters and Sounds' Phase 6 Words

***N.B.** Children are normally able to read more words than they can spell correctly. Therefore, most children will be working at least one phase lower in spelling than in reading.* In order to accurately be given the correct level of spelling, a diagnostic test with instructions on how to administer can be found in the 'Topical Resources' publication 'Foundation Stage and Key Stage One Photocopiable Weekly Spelling Lists' based on 'Letters and Sounds'. This will help you to place each child or group on the correct phase within this series.

In this series of spelling practice activity books an activity sheet, which allows children to explore and investigate the spellings within their list, is provided for each week. This includes a simple 'Read, Write and Spell' activity which could be used for homework or as an independent activity in order for children to practise their spellings.

***N.B.** The activity pages in this book may need to be increased in size depending on the age / maturity of the pupils involved.*

Topical Resources publishes a range of Educational Materials for use in Primary Schools and Pre-School Nurseries and Playgroups.
